<i>Description</i>	<i>Evaluations</i>	
A specialised lawyer will give you an overview of "copyrights and other related rights", will describe their main principles and will provide you with the required basics to understand how to sign a convention on these rights. Furthermore, a SMart advisor will explain the taxation on copyrights. A series of examples will allow you to see how to manage the invoicing of copyrights, according to your social situation and how your work will be used.	Not automatic for followers of the session
